

AN IN-KIND PARTNERSHIP

The 3D Photo Booth Experience

Two brands, one unforgettable activation. Krystalore Crews and Her Next Mission have come together to offer an in-kind 3D photo booth experience that elevates events in the nonprofit, veteran, and women's space — hosted by the one and only Krystalore, supporting Her Next Mission and your experience.

WHAT THE EXPERIENCE INCLUDES

The booth, delivered

A full 3D photo booth experience set up, staffed, and struck by our team. You supply the space and power; we bring everything else.

Hosted on site

Krystalore hosts the activation herself — reading the room, pulling people in, and keeping the energy where it should be.

Branded to your event

Overlays, props and the on-screen frame carry your organisation's branding alongside ours.

Guests keep the content

Every guest leaves with their clip to share — which is how your event keeps working after the doors close.
